Israel

Since 4th November, nearly ninety rockets have been fired by terrorists in Gaza at civilian communities in Southern Israel. Israeli intelligence have said that HAMAS are planning a mass attack on Southern communities in Southern Israel. All the BBC news are reporting is the fact that Israel were blocking humanitarian aid from getting to the Palestinian people yesterday. This aid has in fact gone through.

Please pray for Naomi, the children and all those in Sderot, Ashkelon and Southern Israel as they are once more under fire from kassams.

Machynlleth

Please continue to pray for God's will to be done in Machynlleth. We are using a different building to worship in there now. Please cover all those that go in your prayers and bless the work the Lord is continuing to do down there.

Please note... Jane has special dispensation from the Elders and Leaders for this *pagan* act of love for the community!! Ha

Intercession

We are interceding in our own homes on a Thursday morning between 6.30 and 8.30 am. As more people are coming on board from differing localities, Margaret has kindly agreed to produce a monthly bulletin of prayer issues and words from the Lord to pray into. Our monthly meetings will also be separated into different localities in Chester, Mold and Ruthin/Wrexham. Please **do** get together with the other intercessors in your area to decide **when** and **where** you can meet together monthly. Let's really press in at this time as we need breakthrough in so many areas.

In House News

- Due to the hall now being unavailable, the prayer meeting will be **at June's** on Wednesday evening until you hear anything different! Please pray about the future venue of this meeting.
- We are no longer providing envelopes but **labels only** to go on your envelopes containing tithes. Please feel free to recycle your old envelopes etc for this purpose.
- Ladies, please see Carole if you are not able to be on the next cake and washing up rota as we are attempting to share the load between all of us if possible. Thanks.
- Parents, it's making such a difference to all in keeping our children with us during the worship. Well done and please continue to do so, encouraging them to join in for as long as they can, read their bibles or ask the Lord for words for people. Thanks.
- The next worship night is this week on **TUESDAY 2nd December** at Matt and Heather's.

Prayer Requests For Healing

Frank, Yvonne's husband, who broke his ankle badly. Please pray for complete healing for Frank and for strength for Yvonne at this time.

Linda, Richard's daughter, who has torn the tendons and ligaments in her hands. The doctor has said these will heal on their own. Please pray for her healing and salvation.

Joyce, Shirley's mum, who is still in pain.

Ruth Mann, a friend of Matt and Heather's whose husband died from cancer a couple of weeks ago. Pray also for her two small children Isaac and Joshua.

Gwyn, Heather's dad, who is due to have an angiogram on 3rd December.

Jean Foster, who has e-coli and is quite ill.

John Hadfield, who is on the new trial treatment. All of the tumours have grown but his blood results are good. Please keep praying for the Lord to blow the cancer away and pray for both John and Catherine as they live from day to day by faith.

Russ Howell, who is doing well, recovering from a series of suspected mini strokes.

Phil, Margaret's brother, who is doing well adapting to his hearing aids. Please pray for his salvation.

Eileen, who has been diagnosed with a mass on her lung and is in turmoil because no-one seems to be able to give her straight answers.

Helen, Matt's sister who has a damaged pelvis.

Linda Carr who has terminal cancer and her family who are very distressed.

Libbet Rance, who has been told that there is no further treatment she can have for cancer of the bone marrow.

Doreen, who Candy met in a public toilet and was able to pray with! Her family situation is horrendous and she really needs to know the love of Jesus at this time.
